“ My name is Angie, I was neighbor to Jean and Bob Catalina for around 26 years. Jean became more than just a neighbor to me. She was more like family. A good friend to me. We spent lots of time together. One of my greatest memories of her was the Monday nights we spent together sitting in my car, eating a cinnamon roll and drinking our coffee while my kids were in Awana at Emmanuel Baptist Church. I could always count on her going with me on Monday nights. She looked forward to that . I appreciated her company.
Also, when my daughter Priscilla was born, I could always count on her to come over and hold her, so I could get some house work done. We also spent time playing rummy cube. She was pretty good at it, but I always won . I'll miss being able to pop in and visit. I'll miss her thumb caressing my hand as she held it.
