“ Not a day goes by that I do not think about you. I still can't believe you are not with us anymore. I miss all your phone calls and all your wonderful stories about your family. You brought so much joy to everyone you met. Rest in peace, my friend. I miss you so much.

“ Peggy was someone I have known and cared about since Rialto Jr. High School when her and I went "steady" for a few months. We kept in touch on and off over the years and I will miss those talks. All the early "boyfriends," Bill, Gary, Duane G., had some great times spending our youth with such a fun loving and caring person as Peggy. Peggy you where a loving spirit and will be missed. “ Peggy was my step-mom. We had our differences just like any other mother daughter relationship. She had a smile that would light up a room. Wherever she went she would always stop and talk to someone even if she didn't know them. One of my greatest memories of her was when I was in high school. We were taking care of the neighbors dogs while they were on vacation. I went over to feed them and one had gotten out of the yard into the busy street. I tried to get him back in the yard and he bit me. Peggy made sure that I was ok by calling the ambulance and making sure the dog was put under quarantine. She then took me to the hospital to get checked. Whenever I was sick or hurt she would make sure I was taken care of. This might sound like a silly memory to you but to me I will cherish it always. I will forever remember our last conversation on the phone when you were in the hospital. That was the hardest and most painful conversation I have had with my mom. Peggy (Mom) you will truly be missed. May you rest in peace with no more pain. With all my love, Shelly
