“ Mary was the best sister one could have. She was so joyful, full of life, great role model and a strong Christian woman. I will miss my "Sister Girl", and that special relationship that we shared. I will miss her voice on the telephone and the way she said, "Hello brother dear". Thank you for all the memories we made and those memories will be in my heart forever. I am grieving right now, but knowing that you are in heaven helps diminish that grief. Rest in Heaven "sister Girl". Much love.
